## What We're Loving & Why: *Combination Duffel/Suiter*

1. Combo Duffel/Suiter	<p>Description:</p> <p>Where you can get it:</p> <p>Variables:</p>	<p>A Dufflebag suiter with multiple compartments</p> <hr/> <p>Amazon.com</p> <hr/> <p>Variety of exteriors (PU croc, leather, quilted fabric in various colors (brown, black, yellow, pink, white) with suiter in various lengths, all are within inches of the same width</p> <hr/>
2. Purpose	<p>What it does:</p> <p>Why we got it:</p>	<p>Eliminates multiple bags!</p> <hr/> <p>Lots of weekend and overnight trips and not liking hauling several bags!</p> <hr/>
3. Cost	<p>What it costs:</p> <p>How cost compares:</p> <p>How it's packaged:</p>	<p>From \$33.99 to \$50+</p> <hr/> <p>Excellent pricing for such a one-fits-everything travel solution!~</p> <hr/> <p>Folded within a plastic zip bag or muslin-eque dust jacket</p> <hr/>
4. Compare	<p>What we used before:</p> <p>How this compares:</p>	<p>Small rolling luggage + toiletry bag</p> <hr/> <p>It's such a dream to have everything in one place!</p> <hr/>
5. Quality	<p>About the craftsmanship:</p> <p>About the design:</p>	<p>Thoughtfully designed with variety of compartments (one for wet, another for ties or belts, one for shoes) plus the suiter section.</p> <hr/> <p>Zipper closures and hooks keep ends secure, nice hardware.</p> <hr/>
6. Efficiency	<p>Time required:</p>	<p>It will take you longer to figure out what to put in it than doing the packing. It's really nice to splay it open and live out of it with ready access to all your items.</p> <hr/>
7. Ease	<p>How long does it take?</p> <p>How easy is it to use?</p>	<p>No more time than traditional packing solutions, probably less!</p> <hr/> <p>Incredibly efficient and easy to zip ends once there are contents.</p> <hr/>
8	<p>The Best:</p>	<p>I got two dresses, two pairs of pants, 4 pairs of shoes, 2 blouses, the toiletry bag and some accessories into the black quilted version with gold hardware from Coolife.</p> <hr/>
9	<p>The Worst:</p>	<p>Variation between manufacturers. Modoker has the most features and options available in their line of duffel/suiter combos.</p> <hr/>
10	<p>Kiss or Smack-down?</p>	<p>Big Kiss! Loving the various interior features and the chic appearance, ease of carrying &amp; living out of for short trips.</p>
