

**What We're Loving & Why: *Shark VacMop***

1. Shark VacMop	Description: Where you can get it: Variables:	The most effective spot-cleaning vacuum & mop in one! Amazon.com, Sharkclean.com, Walmart.com Cordless or plug-in varieties available
2. Purpose	What it does: Why we got it:	Makes it a breeze to keep your home looking great! For keeping dark wood and tile floors looking CLEAN
3. Cost	What it costs: How cost compares: How it's packaged:	Corded now from \$49, Cordless \$99 Less than other combination cleaners In a box, two pieces to fit together - easy assembly!
4. Compare	What we used before: How this compares:	Bisel Pet or Vacuum AND wet mop separately SO much better - lightweight, easy & effective
5. Quality	About the craftsmanship: About the design:	Excellent, sturdy & easily managed Disposable, quick release collection pads hold a lot and are easy to snap on (women definitely involved!)
6. Efficiency	Time required: Frequency of use:	Always ready, it's quick & effortless to keep floors clean Multiple times daily
7. Ease	How long does it take? How easy is it to use?	SO Easy - just grab it and it's ready to work It's the easiest, most pleasurable appliance in our homes
8	The Best:	Better than a vacuum, it even picks-up pistachio shells without spitting them back out - it's truly a joy to use. (We named ours "Little Hero")
9	The Worst:	That we don't have one in every room!
10	Kiss or Smack-down?	Big Kiss! It's not only a great appliance for your home, but a great wedding, house-warming or birthday gift!
